This standalone workshop will run concurrently with the CME conference and provide 4 days of comprehensive training in theoretical and practical aspects of intensive care medicine.

Please arrive on time to each session so as to maintain the flow of the conference.

We also request that the speakers make an effort to stay on time and ideally allow a few minutes at the end of their talks for questions. This will also allow more time at the breaks for questions and interaction.

The Fourth Annual Larry Ebert and Patrick Twumasi Memorial Lecture on Spirituality and Ethics in Medicine will be held from 7-9 pm on Tuesday September 22nd in Conference Room A. This year's lecture on "Spirituality and Medicine" will be delivered by Drs. Ruth Johnson, Teresa Rummans and Philip Quanbeck, including a panel discussion with Drs.
